Dear Students and Families,

In response to the extended COVID-19 or Novel Coronavirus outbreak, all Ohio schools will remain closed through May 1st. We have been utilizing a packet system with supplemental materials and instruction housed in various places online. For ease of access and a better instructional experience for our students, we have set Lorain Preparatory Academy up in Canvas, which is the same program that many of the online schools use to house all of your instructional content and links to resources.

Instructions on how to login into your class are below.

1. Go to the Accel school website: https://accelschools.com/athome.html	**OR**	Go to this website: https://learn.accelschools.com/login/canvas
2. Enter your login credentials, which have been provided by your teacher. If you you did not receive login information, please reach out to support. (Contact information is at the bottom of this communication.)		
3. Once you enter your credentials, you will be directed to the STUDENT DASHBOARD. On this Dashboard, you will see a course card for the classes you take at school. Students in grades K-5 will have one course card for all of their classes. Students in grades 6-12 will see a separate course card for each class. 4. Please go to the **Using your At Home Resources** card first to learn how to navigate the online environment. 5. When you click on your course card for the classes you take at school, you will find information from your teacher directing you on how you can take advantage of learning opportunities while you are at home.		 
How To Get Technical Support

Chat via your online class	Call us at 800-889-9011	Email us at ithelp@accelschools.com
